

THE ADVENTURES OF TWEET D

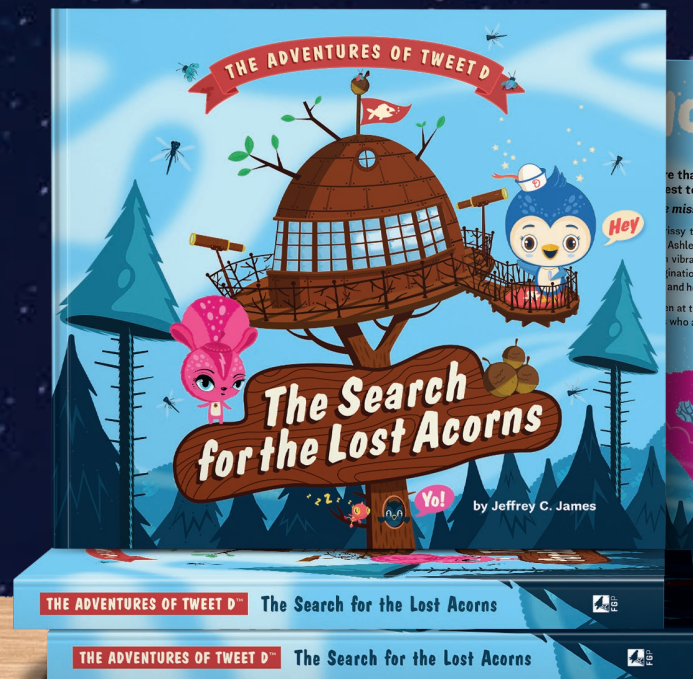

The Search for the Lost Acorns

ABOUT THE BOOK

From the tree tops of Lookout Woods to the shores of Pine Island, kids love this delightful read-aloud storybook. Krissy the Squirrel discovers the acorns she has stored up for the winter have disappeared. With the help of Tweet D and her forest friends along the way, they follow the clues to find who took the nuts without asking. The journey highlights the fellowship of friendship, importance of telling the truth and the reward of honesty.

The story is brought to life through the exciting, colorful, fun-filled pages and lovable characters developed by early childhood experts to encourage tender hearts and inspire curious young minds. The Adventures of Tweet D series is designed to help young children better understand their own feelings, develop positive ways to manage conflict, have an open heart about differences, and discover respectful behaviors they can apply along the journey of life. The Search for the Lost Acorns is a story of friendship, forgiveness, and making things right again. The book is for kids at the age of 3 and older - and for those storytellers who are forever young at heart.

INTRODUCING TWEET D™

Tweet D is a lovable penguin with an accepting and honest spirit who is easily inspired to help others. He is the “bestest” friend a friend could have. Thoughtful and insightful, he is always willing to help his friends and try his best. He is content in the world he lives, but loves fantastical adventures! He brings peace and calm to situations where turmoil or conflict may exist. His cheerfulness and compassion helps resolve disagreements or misunderstandings between other forest friends.

The Adventures of Tweet D series is designed to help young children better understand their own feelings, develop positive ways to manage conflict, have an open heart about differences, and discover respectful behaviors they can apply along the journey of life. In this richly illustrated rhyming mystery with vibrant detail, The Search for the Lost Acorns is a story of friendship, forgiveness, and making things right again. The book is for children at the age of 3 and older. The story encourages children to be confident in the friendships and resolve differences with respect and caring.

The Adventures of Tweet D was inspired by a life lived learning. Upon reading the book to children and parents, the response was overwhelming positive saying they how they were drawn into the “electric colors” of the pages and the journey that highlighted to children the value of friendship and to achieve great things, we should to work together. Another key message of the book is that it demonstrates how accountability with compassion, telling the truth and forgiving others makes those friendships stronger.

Let's get the books in the hands of our little readers (and big readers – who have bigger hands, obviously.) We hope you will consider supporting us on our Donor Book Program – where we can send multiple copies to organizations, hospitals, and children's homes of your choice. We believe the messages of Tweet D and his forest friends will help children around the world discover these fun, light-hearted stories that share inspiring teachable moments.
